## EPISCOPAL CHURCH RAISES LARGE FUND

New York, July 2.—The general mission board of the Episcopal church announced today that it has received \$250,000 in contributions to its emergency fund since April. This is almost enough to meet a deficit which has existed for several years. The board hopes to collect \$150,000 to be set aside as a loan fund to cover any future deficit. Only 1700 or the 8400 Episcopal churches in the country share in this special fund plan.

## SUBMARINES SINK 103 SHIPS DURING JUNE

London, July 1.—German submarines and mines accounted for a total of 103 steamers and sailing vessels during the month of June, according to an announcement by the board of trade today. As a result, 111 lives were lost. Sixty-eight steamers, with a total tonnage of 38,000, were sent to the bottom and thirty-five sailing ships.

## KINGDOM OF HEAVEN IS AT HAND, SAYS MINISTER

"Though Christ fully instructed his people relative to his attitude to the law of God, saying, 'Think not that I am come to destroy the law' Matt. 5:17, yet many teach this text as though it read, 'Think that I am come to destroy the law,' and rejoice that they are not called to walk in the commandments that the Savior kept," said Evangelist Booth last night at the tent, corner of Washington avenue and Twenty-sixth street. Continuing he said:

"The human family will be judged by the law of God. God's law is eternal, unchangeable, and will be the rule of the life to come.

"Christ fulfilled the law of God. Matt. 5:17. He fulfilled all righteousness. Matt. 3:15. Paul fulfilled the word of God. Col. 1:25. He says, all should fulfill the law of Christ. Eph. 6:2. If the word fulfill means the law is abolished, then all righteousness, the word of God and the law of Christ is also abolished. To fulfill a law is to meet the requirements of that law by obedience. This Christ did. He said, 'I have kept my Father's commandments.' John 15:10. He is our example in the law of God. We are to follow in his steps. Paul says, 'That the righteousness of the law might be fulfilled in us, who walk not after the law, but after the Spirit.' Rom. 8:4.

"The Lord has given to the human family a perfect standard in the law of God, a perfect example in Jesus Christ, and holds out all power in heaven and in earth to meet the standard, and follow in the steps of our example. God does not ask the human family to keep his commandments in our own strength. Neither does he expect us to keep the commandments to make ourselves Christians, because we are the children of God. Christ said, 'If ye love Me, keep my commandments.' John 14:15. We can do all things through Christ."

The topic tonight will be, "Repent, for the Kingdom of Heaven is at Hand."

## ITINERARY FOR THE TABERNACLE CHOIR

The officers of the Tabernacle choir met yesterday at the Weber club and after the meeting the announcement was made that the singers would leave in a special train via the Oregon Short Line and Salt Lake Route, about 8 p. m., Wednesday, July 14. The special will be due to arrive in San Bernardino the next morning and the day will be passed there as outlined. From San Bernardino, the special will proceed to Los Angeles, and will be immediately transferred to the Santa Fe railroad for the remainder of the trip to San Diego. July 16, 17 and 18, will be passed in San Diego, July 19 and 20th at Los Angeles, July 21, 22, 23 and 24, at San Francisco and July 25th at Lake Tahoe. Arrangements are well under way for a concert at Reno on the night of the 25th, and the singers will then continue homeward.

In San Diego, they will be housed at the Lubin, San Diego, Albany and Yale hotels; in Los Angeles at the Alexander hotel and in San Francisco at the Flamingo hotel.

The passing of a day at San Bernardino, by the choir was recently taken up with the management by Mayor Wilson and the San Bernardino Chamber of Commerce, it being their desire to have the choir give an open-air concert in one of the big city parks, the singers to be entertained with an extensive automobile ride during the day and with a reception and banquet in the evening.

escape from drowning in the Snake river at Shoshone Falls late this afternoon. He was driving in an automobile toward the ferry at the falls and on the last grade he lost control of the machine. It plunged down the steep grade and into the river, where it was entirely submerged several feet from shore.

Mr. Mathews had no time to escape and went in with the car. A number of young men who had been in bathing were near by and Claude Smith, one of the number, sprang into the water and rescued Mr. Mathews as he was sinking with the car. Mr. Mathews was unable to swim and probably would have drowned but for Mr. Smith and other young men who aided him.

## Isis Grand Opening Saturday. PAY FINES FOR SEINE FISHING

Salt Lake, July 2.—"I got the letter you wrote telling how you caught trout in the Strawberry with a seine and now I want you and the seine."

So spoke D. H. Madison, chief deputy game warden in Heber City, yesterday, while he looked up to where A. E. Berkman was at work on a stack of hay. "Come down," concluded the deputy warden. The man on the stack fell into an attitude not calculated to set off the figure of a one-time college athlete, and nervously demanded to know by whom he was addressed. He was told, and thereupon made haste to obey the order. The seine was surrendered. Later Charles Shelton was arrested and both pleaded guilty to an infraction of the law prohibiting the use of a seine, when taken before F. L. Clegg, justice of the peace. Each was fined \$50.

The arrest and conviction of the two was a sequel to the confiscation of a shipment of trout made by Berkman several days ago. A letter telling how the trout had been taken with a seine fell out of the box when it arrived in Salt Lake. It bore the signature of Berkman and furnished the clew and evidence necessary to his arrest and conviction, once it had come into the hands of Fred W. Chambers, state fish and game commissioner.

## FEDERAL OFFICIALS CONFISCATE OPIUM

Salt Lake, July 2.—In a raid on a house at 529 South Main street yesterday afternoon federal officials arrested eight negro men and women and confiscated a quantity of opium and an opium smoking outfit. The men and women taken to the county jail, where they gave the names of Henry Johnson, Rufus Richardson, R. L. Henry, R. Cross, Susie Jackson, A. Curdick, Stella Smith and Kate Johnson. They are held without bail.

The raid was made by David Thomas, deputy United States marshal; W. A. Tremblay and P. Spencer, under the leadership of L. W. Elliott, in charge of the local division of the internal revenue office. Mr. Elliott said:

"Opium smoking and the use of other habit-forming drugs is at a minimum in Salt Lake and the surrounding territory at the present time. I have just completed a trip through the intermountain territory,

and have found no indication of the wholesale use of the drugs, as was the case prior to the enactment of the Harrison drug act, which became effective March 1.

"It has become so difficult for drug users to obtain drugs that many of them have voluntarily given themselves over to public institutions for treatment for the cure of the habit. Salt Lake was formerly the distributing point for drugs, but at the present time little or no opium, cocaine, morphine, etc., is to be found here. And what is more, none is being shipped in here from outside points."

The detachment is traveling with full field equipment, and will return to Salt Lake on the day the annual field instruction for state troops begins at Fort Douglas. The detachment includes Captain Le Roy Bourne, Second Lieutenant D. G. Richart, Sergeant J. G. McCollum, A. J. Hardy, Thomas Corneli, Samuel Olsson, T. G. Warhurst, Robert Richardson, Corporal Hal K. Seal and Farrier W. J. Stevens. In the absence of Captain Bourne, First Lieutenant Chester W. Wilson will be in charge of troop A. First cavalry, stationed here.

## ARCHBISHOP'S CASE BAFFLES DOCTORS

Y., July 2.—Continued improvement in the condition of James Edward Quigley, Catholic archbishop of Chicago, who is critically ill at the home of his brother, Chief of Police Joseph Quigley, was announced this morning. Temperature and pulse were better and the prelate's mind was clear this morning. Physicians in attendance make no secret of the fact that they are baffled at the change which set in yesterday afternoon, a few hours after the patient suffered a second stroke of paralysis. They regard it as either marking a chance for recovery or the forerunner of a sudden collapse.

## Out of Sorts

THAT IS, something is wrong with baby, but we can't tell just what it is. All mothers recognize the term by the lassitude, weakness, loss of appetite, inclination to sleep, heavy breathing, and lack of interest shown by baby. These are the symptoms of sickness. It may be fever, congestion, worms, croup, diphtheria, or scarlatina. Do not lose a minute. Give the child Castoria. It will start the digestive organs into operation, open the pores of the skin, carry off the foetid matter, and drive away the threatened sickness.

Genuine Castoria always bears the signature of J. C. Ayer & Co.
